SPRING 2025

Setting the Spring in Ireland tone with earthy hues. We paired this travel friendly set with a trending farm jacket and country chic shoulder bag that doubles as a crossbody for tour days. We finished the ensemble with a thick heeled boot for countryside walks.

FALL 2024

Love the range of browns for this fall look. A long skirt and tall boots elongate the legs. The versatile bag is perfect for travel. The trench is a classic piece, that ties the look together.
